

# **Dores Hall**

## **AGM**

**Tuesday 30<sup>th</sup> August 7.30pm in the hall**

### **All welcome**

The current committee is currently planning a revamp up at the Hall and we want your ideas and skills to help improve the building and its surroundings.

We need you if you have practical skills, IT skills, organisational skills and simply all-round general enthusiasm.

The felling of the woodland by the Hall has really opened up the space and we are keen to improve the outlook both inside and outside.

We now have an online payment system – but need more IT skills to promote and publicise the Hall – can you help?

Do you have petrol strimmers, chainsaws, strong muscles...and possibly a digger? There's jobs for you too.

New ideas for local events? – come along and have your say

**We have a fantastic little hall in an amazing location**

Come and help re-vitalise it and encourage more local events
